

THE ENGLISH-LANGUAGE HOME OF ISRAELI SPORT

Independent reporting. Live utility. Israeli sport without borders.

FOUNDING PARTNER

12 MONTHS | USD 30,000 | UP TO 3 POSITIONS

01 THE OPPORTUNITY

ILSP is building a premium English-language destination for Israeli sport: professionally gated reporting, live match utility, original columns, a daily quiz and a growing historical archive.

A PRODUCT, NOT A PROMISE

The polished local preview already combines news, scores, columns, archives and reader engagement. Public launch remains gated by rights, data and legal readiness.

02 PARTNER RECEIVES

- Clearly labelled recognition across agreed launch surfaces.
- Launch-campaign, partner-page and agreed product presence.
- Quarterly delivery and engagement reporting once analytics are live.
- First renewal discussion on a relevant product package - never editorial control.

EDITORIAL FIREWALL

Funding never includes story approval, favourable coverage, source selection, ranking influence, corrections control or subscriber-data access. Sponsored inventory is clearly labelled. Youth products carry no betting promotion.
